LIMITED BARTILE CONCRETE TILE PRODUCT WARRANTY

Thank you for selecting Bartile for your new roof. We believe that your Bartile Roof will give quality long term service for your home or building.

We at Bartile Roofs guarantee the Bartile Concrete Tile purchased for seventy five years against faulty material defects. This warranty Specifically defines “defects” as Integrity Compromising Disintegration and Decomposition, but expressly excludes Breakage of any type, Misuse of Tile, Acts of Nature, Color Variance, Shading and Normal Weathering

This warranty is expressly limited to the replacement of tile. It does not cover Incidental or consequential damage, installation labor or freight costs.

Except as expressly set forth herein, Bartile disclaims and makes no other express, implied or statutory warranty with respect to the Bartile Roofing Tile. Some states prohibit the disclaimer of Implied warranties, so the foregoing disclaimer may not apply to you.

To be valid this warranty must be registered within 60 days following the Installation date. This warranty is transferrable if notice is given to Bartile at the address below within 60 days of property transfer. This warranty is not valid until signed by a Bartile Executive.
